To the Class of 1980:

You have earned a chance to begin — a full life, service, and achievement.

The understanding of self, which comes with introspection, provides the individual with one of the most fundamental attributes of his effectiveness — integrity.

This implies a consistent ordering of your system of values, attitudes, and goals. You must come to know for what you stand and for what you will fight. It is an attribute functionally prerequisite to continuing effectiveness in directing your life day-to-day.

I wish you every success in living a meaningful life.

William DeStefano

William DeStefano
Assistant Superintendent of Schools

Dear Members of the Class of 1980:

In the future when you look at this yearbook and remember your days at Mansfield High School, I sincerely hope those memories are pleasant. I further hope that the educational, emotional, and social growth that occurred during your high school career sufficiently prepared you for your future.

My personal memories of this class will always be happy ones. Although I only had the opportunity to spend a half year with you, the Class of 1980 will always be special to me since it was the first class I had the privilege to serve as Principal. I'll always cherish the acceptance and cooperation I received from you as individuals and as a class.

Sincerely yours,

Edward A. Rosa

STUDENT LIFE

"ALWAYS"

When the drill team marches
down the street,
You can hear the sounds of the
drummers beat.
With the marches marching "O"
so proud,
You can hear the band start
playing loud.
The other day we lost a friend,
A drill instructor he was till the
end.
He did this task with style and
grace
Because of his love for the
human race.
And, in the future when the band
goes by,
We'll remember Bob Dolan as we
look to the sky.

Sharon Bassett in committee.

The 1980 Hockomock Model Senate proved to be a successful one for the 12 delegates from Mansfield. Supervised by Mr. Palanza of the Social Studies Department, the delegates, all from the Junior Class, traveled to Foxboro High School on May 1 and 2 for the occasion. The Model Senate provided an educational experience for all participants as it was a microcosm of the real Senate of the United States. Bills ranging from such controversial issues as the draft and the energy shortage to the unique concern of banning "beautiful music" in public areas were proposed and submitted by the 9 teams of delegates attending. After much ardent lobbying and intense debating, Mansfield managed to present 3 of their 4 bills in general debate and finally passed 2 of these. Overall, the 1980 Mansfield team performed better than those of past years and certainly preponderated over their opponents.

Always and forever, each moment with you is just like a dream to me that somehow came true.
And I know tomorrow will still be the same 'cuz we've got a life of love that won't ever change.

And every day, Love me your own special way, melt all my heart away with a smile. Take time to tell me you really care, and we'll spend tomorrow together.
I'll always love you.

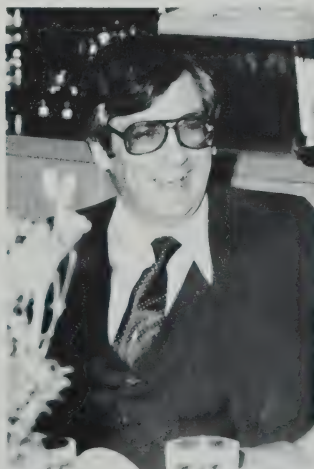

There'll always be sunshine when I look at you; something I can't explain, just the things that you do. And if you get lonely, phone me and say take a second to give to me that magic you make.

CHARGE!!

For a team that was picked to finish very low in the standings, the 1979 Hornet varsity football team fared exceptionally well, going 7-3 and dropping two very close games. Team MVP's were Kevin Jackson and Pat DePillo, who guided the team from the start. Jackson threw eight touchdown passes as QB, while DePillo was the placekicker, tight end, and aggressive middle linebacker.

Linebacker Paul Devlin was named the team's Most Improved Player, as he was third on the team in tackles and had one interception return for 41 yards.

Head Coach Tony Day and his staff would like to express their very high praise for the 1979 Hornets, who performed very well as a team.

For the first time in many years the Mansfield Indoor Track team did not have a share of the league championship. In fact the team finished with a 2-5 record, in fifth place.

The team was not without its plusses. First year coach Brian Friary saw his youthful squad improve greatly with every week, as many competitors earned varsity letters. Sprinter Dennis Buckley was the league's leading scorer with 81 points. Buckley also tied for the league's best time in the 50 with 5.7.

The relay team of Allan Johnson, Dennis Levine, Bill Quinn, and Mike Bellevance also shattered a school record in the relay.

BASKETBALL

Terry Mastroilli about to throw a pass.

For the 1979 Girls' Basketball Team, the season was filled with numerous heartbreaks. A talented team, the Hornets won only one game all year, but lost home games by a margin, on the average, of under four points.

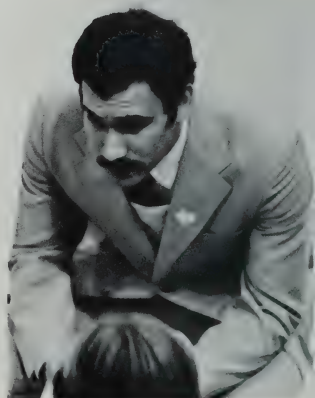

That victory, over E. Mass. Tournament finalist Foxboro, was sealed by a three point play by Debbie Downey with four seconds remaining.

Team MVP Ellen O'Malley was named to the All-Hockomock team as a guard-forward, and the team's Most Improved player was Karen Zecher.

Paul Fournier was named the team's Sixth Man.

BOYS' SPRING TRACK

Led by all Hockomock selection Dennis Buckley, the 1980 Boys Spring Track Team finished with a 5-6 overall record. The team posted wins over Sharon, Franklin, and powerful Foxboro. The team's greatest accomplishment on the year was an unprecedented sixth consecutive victory in the J. J. Kelly Relays. That victory was keyed by two important victories — the pole vault team of Dennis Buckley, Bill Webb, and Doug Gilleran, and the distance medley team of Dave Longacre, Craig Audet, Mike Buckley, and Jack Hulburd.

Also contributing highly to this year's effort were senior captains Allan Johnson and Ricky Tatantino.

Heather Jepson leaves Laurie M. a muzzle for talking without even knowing (especially for newcomers) and leaves a life of honesty and a clear conscience to a few people whom I'm sure know who they are. Carl Cottuli leaves Mr. Kelley a bit of information: you never caught me, but came close once. Sandy Fiske leaves Sandy Paulsen a guardian angel to look over her so she won't get into trouble and Sandy and Pam Kennedy leave their seats in the cafeteria to everyone who always fought for them. Joanne Petrillo leaves little Petrillo and little Bruno with Mr. Reardon say, "OK girls! on the line!" and she leaves Lisa and Dianne a lot of love and luck. Linda Ethier and Gerry Mayo leave Debby LeBlanc a new watch with the school time on it and leaves Gerry with Bob. Bruce Kincaid leaves Dave Silva still trying to find his place in stage band, and leaves Mr. Conti and Mr. Gallo memories of the years they have shared and the time we won't forget. Cynthia Webber leaves Daniel Webber to all the girls and a book of stamps so he can reply to all his letters! Nick Zaharias leaves Paula Fontanini to cry by herself and leaves Anne Silva a pair of elevator shoes. Jim Senna leaves Marie Bittick 1001 free lessons on how to park a car at a Hit-and-run driving school. Marie Azulay leaves Miss Trombley a class full of humane people and to the junior class leaves lots of love and happiness. Sandy Yuscavitch leaves Ann Silva one to grow on and leaves her sisters Karen and Ginger hiding underneath the car at Triboro. Ellen O'Malley leaves her sister Theresa with "the little boy." Pat Adams, Michelle Parks and Marie Bittick leave Sue planning a murder at the Ames Estate because it's such a good place for one and they leave Jayne Carr helping Catwoman at the scene of a crime. Linda Coggeshall leaves Paula Barret her red sandbox from B period computer science.

"THE TIMES THAT SLIPPED AWAY TOO FAST"

Words & Music By: Gary Leanues

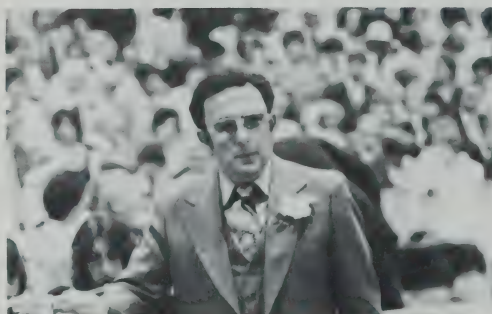

Although we know not what the future holds for us,
 We know we'll always have the past
 To look back fondly on our many memories,
 The times that slipped away too fast
 Although they're only memories,
 We can feel them in our hearts.

We look ahead and set our goals, hoping we may find,
 The perfect life, the perfect way
 And though our lives may never turn out quite the way we planned,
 Our memories will never fade
 Forever we'll remember,
 The times we shared today.

We look to the future, and hope for the best
 We search for happiness
 But if our tomorrows should turn dark and grey,
 We'll always have yesterday.

Take One Giant Step . . .

You've earned it.

You've worked hard, and played hard, and started to discover who you are. And now you're graduating. It's been a good beginning.

The Foxboro Company took a giant step when it opened its first factory seventy-two years ago, in Foxboro, Massachusetts. It also worked hard, and in time discovered who it was: the world's leading supplier of instruments and systems to the process control and energy-producing industries.

The people of The Foxboro Company learned the importance of a good start long ago. They want to congratulate you on your success. And to encourage you to take those big steps with confidence.

There's no telling how far you'll go.
